agile

[model 550 agile]

features

- > flexible back makes this stackable chair an ergonomically pleasing solution for reception, cafeteria and meeting areas
- > pivoting, contoured back provides a degree of flexibility and comfort which is seldom found in chairs of this type
- > stacks 10 high on a dolly and 6 high freestanding
- > built to last with rear angled safety legs and heavy duty tubular frame construction
- > improves performance by encouraging proper posture with full-size, built-in lumbar support and comfortable, contoured seat foam
- > features molded plastic arms, outer back and seat shell with high density foam for comfort and durability
